Our Arizona Letter, Er. JOHNS, APACHE CO. ARIZONA, August 7, 1880.

Autoros, August 7, 1890.

Lity, Sept with reads of the Start Laws 1

Health, does not receive payment and the part of the does not be the sept Holden lies, in one of the most beautiful little did not come to hand till Monday neved there was It takes time for Hyrum valleys on our earth. The valley is evening when it was too late to be of the collection and formation of ma bout five miles long by one half to one mile wide. The timber which surrounds the valley is of the very spain and was the cause of serious terials into an earth. The saints below. This cort of thing has bappened lieved this was done by a law of God. There was one characteristic of the spain and left of the collection and formation of ma too me mile wide. The single of the very spain and sgain. Being at Oneida There was one characteristic of the odd. The collection and formation of ma too me mile wide. The single of the very spain and sgain. Being at Oneida There was one characteristic of the odd. The collection and formation of ma the saint because of serious and was the cause of serious trials into an earth. The saints because of serious trials into an earth. The miles. The size of the valley as at the same hour that the other letter covered with water. In the new cre-described includes only that portion referred to should have reached it a ation there would be no see, though along the stream not covered with week before, and in this instance it there might be rivers, as it had been

FRODUCE MARKET.
